Mr. Thomas H. Miner, President  
The Mid-America Committee  
135 So. LaSalle Street  
Chicago, IL 60603

Dear Mr. Miner:

Thank you for your invitation to our Director, Mr. Casey, to address The Mid-America Committee sometime this winter. As we discussed previously, he was sorry not to meet with your group in August.

Unfortunately, his winter schedule is so full that it is still not possible for him to make a commitment at this time. Mr. Casey has indicated, however, to try a later date. The best I can say at this time is to try again and hopefully his schedule can be worked out so that he can meet with your members.

Sincerely,
